The board (the “**Board**”) of directors (“**Director(s)**”) of the Company hereby informs the shareholders of the Company (the “**Shareholder(s)**”) and potential investors that based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 September 2020 and other information currently available to the Board, the Group is expected to record (1) a decrease in revenue by approximately 80% for the six months ended 30 September 2020, as compared with the revenue of approximately HK\$42.3 million for the corresponding period in 2019; and (2) a loss attributable to equity holders of the Company of approximately HK\$11 million for the six months ended 30 September 2020, as compared with the profit attributable to equity holders of the Company of approximately HK\$71,000 for the corresponding period in 2019.

The expected decrease in the revenue and the loss attributable to equity holders of the Company were primarily due to the significant decrease in the transaction volume via UnionPay processed by the Group for the six months ended 30 September 2020, as compared with that of the corresponding period in 2019 as a result of the outbreak of the COVID-19 pandemic which led to the suspension of international flights to Thailand since April 2020.

The Company is still in the course of preparing and finalising the unaudited consolidated financial statements of the Group for the six months ended 30 September 2020. The information contained in this announcement is only a preliminary assessment by the Company based on the unaudited consolidated management accounts of the Group for the six months ended 30 September 2020 and other information currently available to the Board, which has not been reviewed or audited by the independent auditors or the audit committee of the Company. The Group’s unaudited interim results announcement for the six months ended 30 September 2020 is expected to be published by the Company on 6 November 2020.
