EXPECTED DECREASE IN REVENUE

This announcement is made by Oriental Payment Group Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules (the “**GEM Listing Rules**”) Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”) and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (“**Director(s)**”) of the Company hereby informs the shareholders of the Company (the “**Shareholder(s)**”) and potential investors that based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended 31 March 2022 and other information currently available to the Board, the Group is expected to record a decrease in revenue by approximately 75% for the year ended 31 March 2022 as compared with the revenue of approximately HK\$12.4 million for the corresponding period in 2021.

The foregoing decrease in the revenue was primarily attributable to the facts that some of the Chinese tourists, who were previously stuck in Thailand due to the lockdown in Thailand and closure of airports in the People’s Republic of China (the “**PRC**”), for the corresponding period in 2021, having returned to the PRC and also a majority of the international flights to Thailand remaining to have not resumed. This resulted in a further drop of the Chinese tourists’ spending in Thailand, and hence a further decrease in the transaction volume via UnionPay processed by the Group for the year ended 31 March 2022 as compared with that of the corresponding period in 2021.

The Company is still in the course of preparing and finalising the unaudited condensed consolidated financial statements of the Group for the year ended 31 March 2022. The information contained in this announcement is only a preliminary assessment by the Company based on the unaudited consolidated management accounts of the Group for the year ended 31 March 2022 and other information currently available to the Board, which has neither been confirmed nor audited by the Company's independent auditors nor reviewed by the audit committee of the Company, and therefore may be subject to necessary adjustments upon their further review. The actual financial results for the year ended 31 March 2022 may be different from the information disclosed in this announcement. The Group's unaudited condensed consolidated annual results announcement for the year ended 31 March 2022 is expected to be published by the Company on 23 June 2022.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
