The Placing Agreement

Principal terms and conditions of the Placing Agreement are summarised as follows:

Date: 7 October 2022

- Parties:**
- (i) the Company; and
 - (ii) the Placing Agents.

Placing Agents

To the best knowledge, information and belief of the Directors having made all reasonable enquiries, each of the Placing Agents and their respective ultimate beneficial owner(s) is an Independent Third Party.

Placees

Pursuant to the terms of the Placing Agreement, the Company shall appoint the Placing Agents as its agents to procure on a best effort basis, severally (and not jointly nor jointly and severally), not less than six independent institutional, corporate or individual investors to subscribe for the Placing Shares on and subject to the terms of the Placing Agreement. For the avoidance of doubt, each of the Placing Agent(s) shall have no obligation to take up any Placing Shares in case it or the other Placing Agent(s) fail(s) to procure any Placees to subscribe for the Placing Shares in satisfaction with the proportion of the Placing Shares to which it or such other Placing Agent(s) is/are allocated under the Placing Agreement.

Subject to the terms set out in the Placing Agreement, the Placing Agents shall place, or procure the placing of, the Placing Shares on a best effort basis in the following proportion, on a several basis:

- (a) for SBI, up to 70,000,000 Placing Shares, representing approximately 29.17% of the maximum number of the Placing Shares proposed to be placed under the Placing Agreement; and
- (b) for Global Mastermind, up to 170,000,000 Placing Shares, representing approximately 70.83% of the maximum number of the Placing Shares proposed to be placed under the Placing Agreement.

at the Placing Price (together with the Stock Exchange trading fee, SFC transaction levy, investor compensation levy, CCASS stock settlement fee, brokerage and such other fee and levy as may be payable by the Placees) in the capacity as the Company's agents.

If and to the extent that any of the Placings Agents (the "**Non-performing Placing gent**") fails to place, or procure the placing of, the Placing Shares up to the maximum amount allocated to it under (a) or (b) above (as the case may be), such other Placing Agent may, subject to the prior consent of the Company, (without creating any obligation in this respect on its part) further place, or procure the placing of, any of the Placing Shares up to the maximum number of Placing Shares which such Non-performing Placing Agent is originally allocated to place or procure the placing thereof pursuant to (a) or (b) above (as the case may be) less the number of Placing Shares which have already been placed by such Non-performing Placing Agent to the Placee(s).

The Placing Agents shall, severally (and not jointly nor jointly and severally), use their best endeavours to ensure that (i) each of the Placees and/or their respective ultimate beneficial owner(s) is a third party independent of and not connected with, and is not acting in concert with the Company and its connected persons; and (ii) immediately after the Placing, none of the Placees will become a substantial shareholder of the Company.

Number of the Placing Shares

Assuming that there will be no other change in the total issued share capital of the Company between the date of this announcement and the Completion Date and all the 240,000,000 Placing Shares are successfully placed, the Placing Shares represent (i) 20% of the total issued share capital of the Company as at the date of this announcement; and (ii) approximately 16.67% of the total issued share capital of the Company as enlarged by the allotment and issue of the Placing Shares immediately after the Completion.

The aggregate nominal value of all the Placing Shares will be HK\$2,400,000.

General Mandate to issue the Placing Shares

The Placing Shares will be allotted and issued by the Company to the Placee(s) under the General Mandate, pursuant to which the Directors are authorised to allot, issue and otherwise deal with up to 240,000,000 Shares, representing 20% of the total number of issued Shares as at the annual general meeting of the Company held on 30 September 2022 approving, among other matters, the granting of the General Mandate. As at the date of this announcement, no part of the General Mandate has been utilised by the Company. Accordingly, the Placing is not subject to the approval of the Shareholders.

Ranking of the Placing Shares

The Placing Shares under the Placing will rank, upon issue, equally in all respects among themselves and with the Shares in issue on the date of allotment and issue of the Placing Shares.

Placing Price

The Placing Price of HK\$0.1 per Placing Share:

- (a) is equal to the closing price of HK\$0.1 per Share quoted on the Stock Exchange on the date of the Placing Agreements; and
- (b) represents a discount of approximately 1.57% to the average closing price of HK\$0.1016 per Share as quoted on the Stock Exchange for the five trading days immediately preceding the date of the Placing Agreement.

The Placing Price was determined after arm's length negotiations between the Company and each of the Placing Agents with reference to, among other things, the prevailing market price and the recent trading volume of the Shares.

Taking into account the estimated expenses for the Placing of approximately HK\$650,000, comprising fees, costs, charges and expenses of the Placing and assuming that all the 240,000,000 Placing Shares could be placed successfully, the net price of each Placing Share amounts to approximately HK\$0.097 per Placing Share.

Commission

In consideration of the services of the Placing Agents in relation to the Placing, the Placing Agents are entitled to a commission equivalent to 2.5% of the aggregate gross proceeds from the actual number of the Placing Shares placed by the respective Placing Agents at the Placing Price (such amount to be deducted from the payment to be made by the respective Placing Agents to the Company pursuant to the Placing Agreement upon Completion when the subscription monies for the Placing Shares are to be received). Each of the Placing Agents may deduct the full amount of the relevant placing commission, and all reasonable costs and expenses incurred by it and its sub-agent(s) in connection with or arising out of the Placing from the amount of any subscription monies paid by the Placees. Assuming all the 240,000,000 Placing Shares have been placed, the maximum commission payable by the Company to the Placing Agents shall be HK\$600,000.

The placing commission under the Placing Agreement was determined after arm's length negotiations between the Company and the Placing Agents with reference to the prevailing market conditions.

The Completion is conditional upon the fulfilment of the following conditions:

- (a) the GEM Listing Committee having granted the approval for the listing of, and permission to deal in, the Placing Shares;
- (b) any other all necessary consents, approvals and/or waiver(s) to be obtained on the part of each of the Placing Agents and the Company in respect of this Agreement and the transactions contemplated hereunder having been obtained; and
- (c) the Placing Agreement not having been terminated in accordance with its terms.

If any of the foregoing conditions is not fulfilled on or prior to the Long Stop Date, the Placing Agreement shall be terminated and none of the parties to the Placing Agreement shall have any claim against the other for any costs or losses (save for any prior breaches of the Placing Agreement).

Subject to the fulfilment of all the Conditions Precedent, Completion shall take place on a date falling within four Business Days after the fulfilment of all the Conditions Precedent or such other date as the Company and the Placing Agents may agree in writing.

- (d) there is any adverse change in the business or in the financial or trading position of the Company taken as a whole, which being unaware of by the Placing Agents, which is in the reasonable opinion of the Placing Agents material in the context of the Placing.

INFORMATION ON THE COMPANY AND THE GROUP

The Company is an investment holding company. The Group is principally engaged in merchant acquiring business in Thailand.

INFORMATION ON THE PLACING AGENTS

SBI is a company incorporated in Hong Kong with limited liability and is a licensed corporation to carry out business in Type 1 (dealing in securities), Type 4 (advising on securities) and Type 9 (asset management) regulated activities under the SFO.

Global Mastermind is a company incorporated in Hong Kong with limited liability and is a licensed corporation to carry out business in Type 1 (dealing in securities), Type 4 (advising on securities) and Type 6 (advising on corporate finance) regulated activities under the SFO.

REASONS FOR THE PLACING AND USE OF PROCEEDS

Assuming all the 240,000,000 Placing Shares are successfully placed, the gross proceeds from the Placing amount to HK\$24 million, while the net proceeds from the Placing are estimated to be approximately HK\$23.35 million after deducting the estimated expenses for the Placing. The Company intends to apply the net proceeds for the repayment of part of the Group's current debt, where to the extent that any part of the net proceeds is not applied for such purpose, such proceeds are intended to be applied for general working capital of the Group and/or any investment opportunities in payment related business as identified by the Group from time to time.

As disclosed in the annual report of the Company for the year ended 31 March 2022 (the "Annual Report"), the audited bank balances and cash of the Group as at 31 March 2022 were approximately HK\$31,410,000. As further disclosed in the Annual Report, the Group had audited current liabilities of approximately HK\$52,137,000.

Having considered that the aforesaid cash balance of the Group, the current liabilities of the Group and the adverse impact on the Group's business and operations brought by the prolonged effect of the COVID-19 pandemic as well as the ever-changing public health measures implemented by the local government of Thailand from time to time, the Directors are of the view that despite the existing cash resources held by the Group, it would be desirable for the Group to raise and reserve sufficient cash for the repayment of part of the current debts of the Group in a timely manner with view to strengthening the financial position of the Group and for its general working capital so as to accommodate the operating cashflow needs. Therefore, the Directors considered that the Placing represents a good opportunity for the Group to achieve the aforesaid purposes.

Having taken into account of (i) the funding need of the Company as stated above to meet the expenditure of the Group in the future should they arise; and (ii) the benefits of increasing the working capital and strengthening the financial position of the Group without increasing its financing costs and the possibility of lowering the net liabilities of the Group; the Directors consider that the potential dilution impact was justified and accordingly, in the interests of the Company and the Shareholders as a whole.

Having considered the above, the Directors concluded that the Placing is fair and reasonable and are in the interests of the Company and the Shareholders as a whole.
