## **REASONS AND BENEFITS OF ENTERING INTO THE AGREEMENTS**

After published the Company's interim report for the six months ended 30 September 2022, the Board conducted a review on the Group's business operations and considered that although considerable effort has been put, the business of the Target Company has been performing unsatisfactorily in the past years, which indicated an impairment loss on the Group's investment. After careful consideration under the current difficult operating environment, the Board has come up with the decision to the Disposals.

The Directors consider that the Disposals will enable the Group's resources to be more effectively allocated to and utilised by other business segments of the Group thereafter, which will be beneficial to the Group.

The terms of the Disposals were arrived at after arm's length negotiations between the parties to the Agreements. The Board is of the view that the terms of the Agreements and the transactions contemplated thereunder are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

## **FINANCIAL EFFECTS OF THE DISPOSALS**

Upon Completion, the Company will cease to hold any interests in the Target Company and the Target Company will cease to be an associate of the Company.

It is expected that the Group will record an unaudited loss on the Disposals of approximately HK\$30,000, which is calculated based on the total Consideration less (i) the unaudited carrying amount of the interest in the Target Company as at 30 September 2022 which is nil; and (ii) the related costs and expenses of the Group for the Disposals.

The abovementioned financial effects are shown for illustrative purpose only and the actual gain/loss eventually to be recognised in the consolidated financial statements of the Company, depends on, among other things, the review by the auditor of the Company, upon finalisation of the consolidated financial statements of the Group.

## **IMPLICATIONS UNDER THE GEM LISTING RULES**
