Stock Code Balloting for Charity Scheme 2018/19

The Community Chest of Hong Kong was established in 1968 as an independent, non-profit making organisation neither funded, nor operated by the Government. Each year, the Chest organises fund-raising events to benefit 163 member social welfare agencies that reach out to more than 2.5 million beneficiaries in Hong Kong in various areas of services including children & youth, elderly, family & child welfare, medical & health, rehabilitation & aftercare, and community development.

The Community Chest expresses its sincerest gratitude to Hong Kong Exchanges and Clearing Limited for providing the fundraising platform, Stock Code Balloting for Charity Scheme, which encourages companies to support the community on the occasion of their public listing in Hong Kong. Over HK\$960 million has been raised through the Scheme since its launch in 1999. The Community Chest of Hong Kong is very grateful for the generous contribution made by the following companies in support of this scheme in the 2018/19 campaign year (1 April 2018 to 31 March 2019) which raised nearly HK\$85 million to support the needy.
